I'm writing this column the day after our exciting meet in Oconomowoc at the **Pabst Farms YMCA**. We had 81 swimmers! Those are good numbers for an early season local meet. There were a lot of newcomers, too! Some were competing in their first swimming meet ever!! Before the meet started we had some announcements. I read the nice note that **Nancy Kranpitz** sent thanking everyone for the nice gift certificate for Kiefer. I introduced **Melodee Nugent** as our new Wisconsin Water Warrior coordinator. She said the results were still trickling in from the WWW event and awards would be presented at the State meet in April.

Dick Pitman

John Bauman announced that hereafter he will not accept deck entries at meets that he runs. So, be forewarned on that! This means that at the **Baraboo** meet to be held **March 20 no deck entries will be allowed, nor at the State Meet in April**. The scheduled meet for **Madison on February 13 WILL** accept deck entries until 7:30 AM. I believe **Melinda Mann**, meet director for the **Oshkosh** meet, will also accept deck entries until thirty minutes before the meet start time. Regarding the Baraboo meet, John told the assembled throng that he will accept entries until 6 PM the day before the meet, e-mailed entries. But PLEASE get your entry in early. It makes the meet start on time.

There had been some thought about having an election at the meet to elect **Jeanne Seidler** as vice-chair so as to succeed me later in the year. We decided not to go that route. I have the ability, in the by-laws, to appoint **Jeanne** as vice-chair so she may acclimate to the position as she continues to wrap up some personal affairs. She will assume the **Chair of Wisconsin Masters** in September in time to go to the USMS convention as the leader of Wisconsin Masters. Jeanne, John, and I have had wonderful communication on this subject and believe this to be the best for our organization at this time. Talking with members at the post-meet meal I didn't hear any complaints about this process.

There was also a lot of talk about the upcoming **Short Course Yards Nationals** (aka USMS Spring Nationals) in Mesa, AZ, April 28-May 1. Sounds like a lot of folks are planning on attending. It could be one of the best nationals ever! **Janet Evans** is expected to be swimming as well as a couple other former Olympians. Nationals are always great fun! If you haven't been to one *ever*, or haven't been to one in a while, you may want to dust off your passport to Arizona and book a flight! Contact **Trina Schaetz**—our chief organizer—at tdschaetz@yahoo.com.

Mark your calendar for the first weekend in April! That's the date of the annual SCY State Meet. This was probably the most popular meet of the year in 2010 with 170 swimmers over the two day meet. We're expecting more this year. Jeanne and I are getting more inquires from Illinois swimmers who want to make the trip north this year. See you in the pool!

DIRECTIONS FROM MADISON:

Take I90/94 towards the Dells, Use the Baraboo/Portage exit, Hwy 33. Go west on Hwy 33 towards Baraboo, approximately 14 miles. Stay on Hwy 33 in Baraboo to Draper St., the third stop light. Right on Draper Street to the High School on the left. Continue up the hill, the Middle School is behind the High School. The pool entrance parking lot is on the back side of the Middle School (on top of the hill).

Mark your calendar for Sunday, August 7th. That's the day of the Lake Geneva 8 mile swim—from one end of the lake to the other. All monies raised in this effort go to wounded warriors and their families. To find out more about this swim and the great cause it supports go to:

<http://www.specialops.org/>

You can also contact **Steele Whowell** at gordysboats.com. Several WMACers completed this swim last summer under very difficult conditions. But all said it was worth it for the cause.

Swim for Freedom

Did you notice? The newsletter has a slightly different look to it with this issue—the result of the use up the new, updated Publisher 2010 Program. It has many more bells and whistles than the older version—many of which I haven't either found yet or haven't quite figured out how to use! So please bear with me as I make the transition. Nancy K.

Southwest YMCA Master's Team Completes Annual 10,000 Meter Swim

James Drought

The Master's Swim Team at the Southwest YMCA completed the second annual 10,000 Meter swim on November 26, 2010. The swim set consisted of 100 by 100 meter freestyle and stroke sets on a consistent interval and was completed in about three hours. The Master's swim team at the Southwest YMCA is coached by **Bill Curtis**.

A photograph of the swimmers that completed the 10,000 Meter swim, together with the special recognition award given to Coach Curtis in honor of the event, is shown at right. The swimmers, pictured from left to right, include: **Todd Bouton, Jim Culp, Steve Woloschek, Valerie Lund, Pat Bergin, Nikki Mitchell, Bill Curtis, Jim Drought, Jenny Moeller, and Melodee Nugent.** Not Pictured – **Katie Kalfas.**

Use of Tape at USMS Sanctioned Meets

Rule 102.14.2 says that "Any kind of tape on the body is not permitted unless approved by the referee." Note that this sentence is included with the rule that deals with devices or substances that help speed, space, or buoyancy.

The prohibition against tape on the body generally stems from the compressive effects that tape could provide if wrapping an arm or leg, for example. This is much the same as the compressive effect provided by the coverage that some of the "high tech" suits provided. So, in general, something applied that would appear to provide this effect and help the swimmer's speed would be prohibited.

The referee could approve the use of tape in limited circumstances, such as taping a bandage to cover a wound, taping a splint in place on a finger or toe, or prevention of further injury. If the referee determines that taping as such would be to prevent further injury to the swimmer and not to "help his speed," the referee has the authority to allow the request.

A question received about a "Cho Pat" sports device was addressed by the USMS Rules Chair as follows: "Arm bands are not regarded as parts of the swim suit and are not allowed. This is the same situation as: "Any kind of tape on the body is not permitted unless approved by the referee." As is the case with tape on the body, the referee at each meet will also make the determination about the Cho Pat.

The determination of whether a device is acceptable for the "prevention of further injury" is not the same as determining a possible accommodation due to a disability, which is defined as a permanent, life-altering condition. The referee can modify the rules for a swimmer with a disability based on the guidelines in Article 108. This provision does not apply to injuries or other temporary conditions.

While swimmers could present a doctor's note to explain the injury, it is not required. Referees are not required to follow such instructions, nor are they required to make evaluations based on detailed medical data that the swimmer might present. Referees are expected to make the best common-sense decisions that they can make based on the information available and must do so in a timely manner without disrupting the meet. This may include talking to the swimmer, asking questions regarding the injury or purpose, and taking into account any data the swimmer might provide. **Best advice:** Swimmers should approach referees before the meet and make the determination as early as possible.

Erica Leah Perez—daughter of **Sarah (Schneider) & Octavio Perez**—weighed in at 7 lbs 8 ozs, 20" on December 27, 2010. Erica probably lays claim to being the youngest ever Masters champion when she swam with (in) mom when Sarah won the 200 breaststroke in Atlanta in May 2010. Congratulate Sarah & Octavio! Look for Erica in Mesa.

Some Registration Statistics

On Page one there is a notice relating to those snail mail newsletter recipients who have not yet re-registered (red slash across your address label). What that notice DOESN'T say is that Wisconsin swimmers are doing a very good job at re-registering! As of the end of 2010 Wisconsin ranked **2nd** out of 52 LMSC's in percentage of swimmers who had registered for 2010 who have re-registered for 2011! **We had, as of that date, 342 or 61.8% of our 2010 total of 553 who have re-registered.** Only the Border LMSC had a better percentage than Wisconsin at 71.1%. However they are working with far fewer numbers than we are (2010 registration number of only 45). USMS total numbers also indicate how well we are doing. In 2010, 54,949 total registrants—as of December 31, 23,027 or 41.9%. Now—e-mail recipients—we have no way to put a red slash through YOUR name or address. So, you are NOT off the hook if you have not re-registered. As with the snail mail recipients, this will be your last issue of the newsletter unless you register for 2011. Do it TODAY—RIGHT NOW!

Volunteer **Ron Vandenhouten** (Melissa's husband) and **Pat Rothe** man the computers at Oshkosh. **Pat** pulled double duty by running the computer in between his swimming events.

VOLUNTEERS NEEDED!

Did you know that at the Pabst Farms meet both **Jeanne Seidler** and **John Bauman** had entered the meet but neither one was able to swim as there was no one to relieve them at the computer table? There must be some non-swimming spouses/friends who have a wealth of talent of which we just may not be aware. Let's try to tap into some of these people to assure that everyone gets a chance to swim. (Thanks Diane and Ron!)

Oshkosh YMCA Meet

Melinda Mann

Bela Sandor, 75, swam 3 events at the 5th Annual Oshkosh Masters Meet and **broke FIVE (5) State Records!!** Yes, that's right, **3 events = 5 records!** Bela started out the day with the 100 breaststroke. At the 50 yard split he recorded a :41.56 to take down the existing 50 breaststroke record of :43.63. He finished the race with a time of 1:27.46 erasing the current record of 1:40.24. In Bela's second race, the 100 IM, he recorded a time of 1:27.42 to claim his third State Record of the day. (Old record 1:30.82). To finish off his outstanding day Bela swam the 100 backstroke and knocked down the 50 backstroke record in :42.47 (old record :45.49) and the 100 backstroke in 1:26.66. (Old record 1:37.03). Congratulations to Bela for an incredible day!

The most anticipated race of the day was the final heat of the 50 free. The top 3 seeds were all seeded at :23.00. To the wall first was **Laren Tiltmann** (40) in a :23.15. Following closely behind were **David Dallmann** (32) in a :23.39 and **Christopher Brunson** (30) in :24.01.

The "animal" award for the meet goes to **Jerry Lourigan** (45) for swimming the toughest lineup in doing the 400 IM, 200 fly, 200 breaststroke and 500 free! He also participated in a 200 yd medley relay.

Congratulation to all 43 swimmers and a special THANK YOU to the Oshkosh YMCA swim team swimmers and parents for volunteering to be timers!

Volunteer **Diane Hollub** (Gregg's wife) helps with timing at the Oshkosh meet and still has time for a visit with **Candy Christensen** between events.

"Animal" **Jerry Lourigan**, **Carl Milholland**, **Tim Potter**, and **Dick Pitman** combined for a 200 medley relay swim at Oshkosh.

Mesa is Calling - Are you Listening?

Trina Schaetz

My, doesn't time fly? It's hard to believe that USMS Nationals are only 3 months away! That's right. **USMS Masters Nationals will be held in Mesa, AZ, this year at the brand new Kino Aquatic Center over April 28-May 1, 2011.** And with as great a turn out as we had at Pabst Farms on January 16 we are sure to rally a great WMAC team to head down to the Phoenix area. Currently we have over 35 people who are planning to travel to Mesa and more people mentioned their intent at the meet in Oconomowoc. This number is already larger than last year's 5th place team. Could WMAC be headed to a top 3 performance? Will you be a part of that this year?

Sarah Perez, (and Erica) Cullen Jones, and Octavio Perez celebrate Sarah's National Championship 200 yd breaststroke swim in Atlanta last May.

First things first.....

1. You don't have to qualify with a special time. You can swim 3 events at this meet without meeting any time standards, so ALL are welcome to come (and wanted to come!) In addition, relays will be put together which may enable you to swim in up to four different relays—none of which need to meet qualifying times. So, a possibility of seven swims—for the price of three.

2. The meet lasts from Thursday thru Sunday and many folks stay one extra night until Monday to enjoy the surrounding sites. But you can come and go as you are able! If you need to arrive late or leave early, still know that we'd love to have you with us.

3. You need a place to stay! The Wisconsin Masters Aquatic Club has reserved a block of rooms at the **Hyatt Place Phoenix North**, only a couple of miles from the pool. <http://phoenixmesa.place.hyatt.com/hyatt/hotels/place/index.jsp>. The hotel shuttle WILL drive you to the pool should you need a lift and they will serve up a great deluxe continental breakfast each morning. They also have extended cooked to order items for sale in the dining area. We have reserved 2 kinds of suites at \$99 (before 13.02% tax) per night. 2 queen beds + full size sleeper sofa **OR** 1 king bed + full size sleeper sofa. Lots of people split costs by sharing rooms and finding a couple of roommates.

To reserve a room, please e-mail Trina Schaetz at tdschaetz@yahoo.com with your name, phone, e-mail and dates of reservation. Rooms are already at a premium, so be sure to act fast. She will contact you regarding availability on a first come first serve basis. The USMS website also lists other lodging options in the area.

4. Meet information will be released in the Jan/Feb issue of SWIMMER magazine.

5. Relays are where the points are. Come March/April, watch your e-mail for information on how to let us know that you are available to swim relays for WMAC. They couldn't be more fun!

6. And lastly, YOU CAN'T BE SERIOUS! Yes, that's right. Do not bring your "it's-all-about-the-times-I-swam-as-a-college-kid" way of thinking. Leave that back here in WI and plan to have an absolute blast with some of the best folks in our state swimming fast and laughing loud!

Dave Clark is in his "coaching mode" in this picture—but don't let that fool you! He had some great swims in Atlanta and we're looking for his contributions in the pool again this year in Mesa.

Record Swims at Pabst Farms!

Cindy Maltry and Laren Tiltmann were among 81 swimmers who enjoyed a great day at the Pabst Farms meet on Jan 16. **Cindy** set three new WMAC records in the 55-59 age group in the 100 IM (1:12.40), 50 back (:34.70), and 100 back (1:15.16) while **Laren** set a new record in the 100 back (:56.92) in the 40-44 age group. Congratulations **Cindy and Laren!**

The following is from **Dick Pitman** via e-mail and it followed a paragraph in which Dick analyzed his swims at Pabst Farms:

“The whole point about my swims is this. It doesn’t matter what kind of shape you’re in to decide to enter a swim meet. The point is just do it! It’s fun to hang around other swimmers for a few hours; to challenge yourself on some level; to finish with either satisfaction or to know what needs to be done to get to the next level. Each person chooses their own goals. I don’t choose them for the swimmers I coach. That’s for high school or age-group swimming. When I swam in college I set my own goals. As a Masters Swimmer I set my own goals; sometimes ambitiously, sometimes modestly, sometimes not at all. Aging-up is a good time for ambitious goals. Coming off an injury is a time for modest or no specific goals. But, at some point you have to account for why you are involved in Masters Swimming.”

This was followed by an e-mail from **Candy Christensen**: “I had a bad cold after New Years...it lasted over 2 weeks. I tried to swim but it wasn’t worth the effort. I entered Oshkosh anyway... I plan on working out Friday, rest Saturday...The fun part of the meet is eating at the Red Robin after! I am always in shape for that!”

When it comes to Masters swimming—whatever suites your fancy goes! Especially true for Nationals! Don’t miss out on this really great experience!

Candy Christensen (far left) made good on her claim to always be “in shape” for eating at the Red Robin after the Oshkosh meet. **John Bauman, Steve Justinger, Dick Pitman, Tim Potter, Carl Milholland, Jerry Lourigan, Suzi Green, and Melinda Mann** seemed to be in agreement with Candy!

FYI—The pool depth at Nationals is 2 meters at both the start and turn ends of the pool!
