

## **WISCONSIN WATER WARRIORS**

Combined, the participants swam a total distance of 906,999 (515 miles) in 2-weeks, with an average of 37,792 total yards (21.5 miles). We again had more women (58%) participate than men (42%). This event has always attracted an older population, with an average age of 63 years. Our youngest swimmer was 45 years and our oldest was 88 years. Kudos to Fred Salzmann (87 years young) swam 41,050 yards and Lois Goddard (88 years young) swam 13,500 yards.
